

## European Framework for the Digital Competence of Educators – 3: Teaching and Learning (p.20&21)

Read page 20/21 point 3: „Teaching and Learning“.  
Afterwards, reflect on the questions below.

...Think of your own teaching practice...

- Which digital teaching strategies do you consider as successful and why? Which not?
- Where do you need more support and feedback?
- How can you work together with your colleagues to find and evaluate best practice examples?

- ✓ You can first reflect on your own and share your thoughts afterwards with your colleagues.
- ✓ Write some notes down if you want.
