

## European Framework for the Digital Competence of Educators – 5: Empowering Learners (p.22)

Read page 22 point 5: „Empowering Learners“.  
Afterwards, reflect on the questions below.

...Think of your digital learning materials...

- ➔ Are they responding to your student's needs, expectations and abilities? Why yes/ why no?
- ➔ Where do you see barriers, difficulties or dimensions of exclusion?
- ➔ Consider if and how your learning materials activate, involve, engage and empower learners? What could you do to enhance empowerment and engagement?

- ✓ You can first reflect on your own and share your thoughts afterwards with your colleagues.
- ✓ Write some notes down if you want.
